Frequently Asked Questions Entegris Gas Delivery Business Acquisition February 6, 2006

Celerity entered into a definitive agreement on January 6, 2006 to acquire the Entegris Gas Delivery Business. This acquisition represents a significant step in strengthening Celerity's product portfolio and ability to serve our key customers worldwide. The Celerity Management Team strongly believes this transaction provides the growth foundation to continue our market leadership in the design and production of high performance gas and liquid delivery process modules and critical instruments.

About the Transaction

1. Q: Why is Celerity acquiring the Entegris Gas Delivery Business?

A: This acquisition represents a significant step in strengthening Celerity's product portfolio and ability to serve our key customers worldwide. The Celerity Management Team strongly believes this transaction provides the growth foundation to continue our market leadership in the design and production of high performance gas and liquid delivery process modules and critical instruments.

2. Q: Why is this change in ownership a benefit to customers?

A: Combining the two companies provides scale and operational synergies that are expected to strengthen the business and enable continued investment in future technologies and products to better serve our customers worldwide.

3. Q: What specific products are being acquired?

A: The Entegris Gas Delivery Business consists of the following products: mass flow controllers, vacuum gauges, pressure transducers, scales, displays, and pressure gauges.

4. Q: Will the Mykrolis brand be retained on the acquired products?

A: The combined company will be named Celerity. The Mykrolis brand may be retained for certain products in order to leverage the strengths of both companies and serve multiple markets worldwide.

5. Q: Which facilities are included in the acquisition?

A: The acquisition of this business unit will consist of over 200 foreign and domestic employees. Celerity will also acquire the manufacturing facility in Allen, TX and service centers in Shanghai and Taiwan. All other Entegris service centers will consolidate into existing Celerity service centers.

6. Q: Will the acquisition impact the Entegris Gas Delivery Business management team?

A: *The Entegris management team is expected to remain as part of the acquisition.*

7. Q: Do you anticipate any changes at Celerity as a result of this acquisition?

A: *Celerity is developing plans to leverage the synergies created by combining the two companies while ensuring a seamless transition for our customers. Additional details will be provided as they are available.*

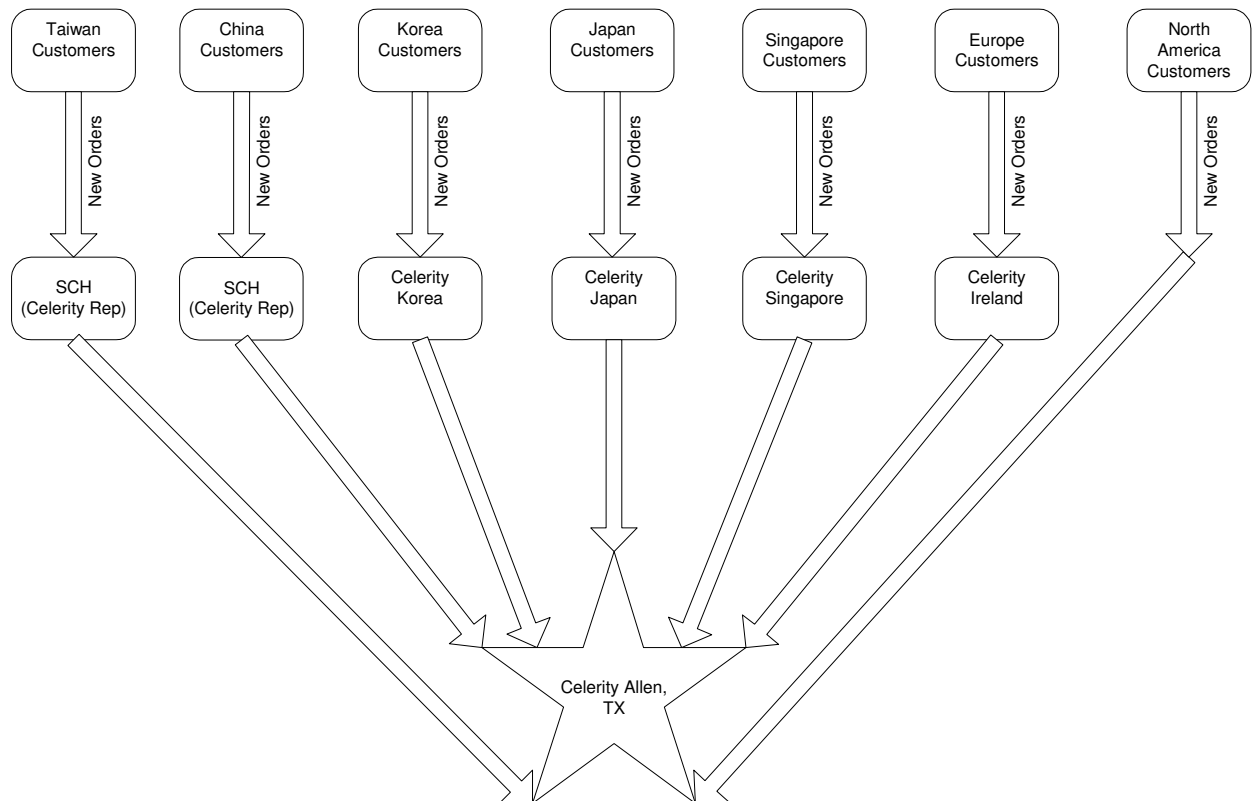

8. Q: How will customer purchase and service orders be handled?

A1: *Purchase Orders*

Prior to the close of this transaction, all existing purchase orders will be supported by Entegris and all new purchase orders should be placed through Entegris customer service.

Celerity will assume responsibility for new purchase orders and the fulfillment of existing purchase orders immediately following the close of this transaction which is expected to occur on February 5, 2006. All new purchase orders should be placed through Celerity customer service. (See Figure1)
